# Choose the PERFECT venue for an unforgettable hen night...

**Hen Nights are our passion and no one knows how to throw a party like Bistro Live!**

We all know that organising a hen night isn't easy. Pleasing everyone, (especially the hen); catering for all ages, from the mother-in-law to the younger sister and all this whilst keeping to a budget and giving everyone a fun-filled night to remember. Well, the good news is that a hen night at Bistro Live ticks all of those boxes and more.

First of all, you'll spend the whole night with us, from 7:00 pm until we close at 1:00am - the whole night is taken care of. All under one legendary roof.

## Fantastic Mouth-watering Food

OK, so we know organising food can be a nightmare. How do you choose somewhere to suit everyone and what about coordinating everyone's food choices? Simple. Our 3 course meal is freshly prepared AND you choose it on the night AND there are choices... lots of choices AND if you've got people in the group with special dietary needs...NO PROBLEM! Our Head Chef can either speak to them beforehand or there is usually something that will be suitable on the menu.

## Party Time!

Lets get the party started! Choose from either a live band night or a disco party night, you'll be dancing to music from throughout the decades... there's something for everyone. So, if Bettie (the mother-in-law) wants something from the swinging sixties and Jess (the younger sister) wants something current, no problem!

## Need a drink? Wave your flag

“They operate a flag system, need a drink?

Wave your flag and a team member run over to take your order.

Dancing on the tables is not mandatory but is encouraged.

Would recommend for a safe fun girls night. Very cost effective!”

*Jules White, 16th July 2018, Nottingham*

# Everything all Under one Legendary Roof

The beauty of Bistro Live is that you only have to book one place. You get a fun filled night without having to move from bar to bar.

So... as the organiser, you only have to speak to one person to sort everything out. Your personal party planner will help you choose the best package for you. They can also arrange discounted hotel stays!

## Do you want a stress free booking process where you don't have to lay down a huge deposit? **DONE!**

It can be really stressful organising a hen party. As the organiser, you don't always know everyone in the party and it can be a bit risky paying their deposit. What if I told you that you don't have to?

You just book your party in and pay your own £10 deposit with your own personal party planner. Once that's done they will send you a shareable payment link to forward to your guests. You email that link to everyone, or post it on a facebook event and everyone can pay for themselves.

Don't worry, we send you an email when someone pays - that way you can keep track of it all. Once deposits for everyone are in, the remaining balances are due 2 weeks before your party.

You can add on a hotel stay from as little as £37.00 per person!

“All in all would highly recommend Bistro Live for a night out, you won't be disappointed. We stayed at Jury's Inn for the night which is just down the road and it was a lovely hotel.”
