Organising Made Easy

The responsibility of organising the Christmas party and the pressure of making it great for everyone can get quite overbearing sometimes. From finding the right venue, collecting payments to food choices, dietary requirements, the list never seems to end! However...

With Bistro Live it's really simple

Once you have chosen your date, all you need to do is book your party in. To do this:

- Call our party planners on 0116 262 1212

OR

- Email info@bistolive.com

OR

- Online www.bistolive.com

Choose how you would like to pay:

Secure the booking by paying your first deposit of £10, everyone else can then pay their £10 deposits on the phone themselves, or by using your party's unique sharable payment link.

If your company are generous enough to pay for your Christmas Party, let us know and we can invoice you. You can then pay with the company card, or do a bank transfer – simple!

There's no need to stress about keeping track as every time someone makes a payment you will receive an email - simple!

The remaining balance of your party won't be due until 1st November, so there's plenty of time for everyone to make their payments - no need to worry about settling it all as soon as you've made the booking!

Once you've got your party booked in, we recommend you pre-order a round of drinks so you can get the party started as soon as you arrive– they will be ready and waiting for you on your table. See page 5 of our brochure for our festive drinks offers.

"Went for Xmas with friends. Staff were amazing and so friendly and helpful. Drinks can be ordered before the night or from our table. Food was so nice and we all really loved it. After we had a band who played so many great tunes to dance to. Will definitely do it again soon.

Payment was so easy, online with links you can send your friend"

"From the moment that we booked the party the service and attention to detail was really good. On the night everything was ready and with the arrival drinks all poured in advance. The waiting staff were very professional and nothing was too much trouble. It's the best food we have experienced on a Christmas Party. The private space was brilliant and plenty of room to dance. The music is very varied which suited everyone and it was a proper party atmosphere. I would highly recommend this venue."
