"We've been going to Bistro Live for the works Christmas party now, for 10 years. I can honestly say, we wouldn't even consider anywhere else. With the great atmosphere, delicious food and the excellent staff, you can't fault it. Even the booking process is fun for us! # Organising Made Easy

We know how difficult it can be organising the best Christmas party and the pressure of making it a great night for everyone. From finding the right venue, collecting payments to food choices and dietary requirements, the list never seems to end!

**However with Bistro Live it's really simple...**

Once you have chosen the perfect date, the next step is to book your party in. To do this:

You can call our party planners on 0116 262 1212

OR

Email [info@bistrolive.com](mailto:info@bistrolive.com)

OR

Or you can book online [www.bistrolive.com](http://www.bistrolive.com)

**Choose how you would like to pay:**

You can secure the booking by paying your first deposit of £15, everyone else can then pay their £15 deposits by giving us a call themselves or they can use your party's unique shareable payment link.

If your company is generous enough to pay for your Christmas Party, let us know and we can invoice you. You can then pay with a company card or a bank transfer – simple!

There's no need to stress about keeping track on who has paid, as every time someone makes a payment on the booking you will receive an email to let you know.

The remaining balance of your party won't be due until 1st November, so there's plenty of time for everyone to make their payments - no need to worry about settling it all as soon as you've made the booking.

Once you've got your party booked in, we recommend you pre-order a round of drinks so you can get the party started as soon as you arrive – they will be ready and waiting for you on your table.

"I just wanted to say that we had a fantastic Christmas party with yourselves Saturday night! The band played good music to get everyone of all ages up dancing and the food was delicious. The staff did an amazing job and were super-efficient. It all ran very smoothly. Finally, this was all so easy to organize and book! Completely hassle free and I'm sure we will return again in the future."
